FREE SAMPLES AVAILABLE

Arm yourself with Tuffie 5, proven to be one of the best defences against the Swine flu bug

The universal cleaning & disinfecting wipe which eradicates all major pathogen groups including:

- Spores e.g. Clostridium difficile
- Viruses e.g. Norovirus & H1N1
- Bacteria e.g. E.Coli & MRSA
- Mycobacterium e.g. Mycobacterium Terrae
- Yeast & Fungi e.g. Candida albicans

Effective against H1N1 to EN14476 standard

Feature	Benefit
Cleaning and disinfecting wipe in one	No need for two separate wipes or chlorine based tablets thus saving nurse time and cost
Eradicates the five major pathogen groups, including C.Diff and MRSA.	Infection prevention with total cleaning and disinfecting peace of mind
Safe to use and effective on all surfaces and equipment	Reduces costs associated with replacing equipment due to damage caused by chlorine or alcohol based wipes and assures cleanliness
Tested to approved British and European Standards	Independent tests show Tuffie is safer and more effective than alcohol based wipes
Cosmetically Approved to EU 76/768/EEC	A skin safe cleaning & disinfecting wipe
Alcohol / Chlorine Free - kind to the environment with no health and safety risks while preventing drying of the skin	A non-hazardous product that is safe to use on wards and no PPE requirement
Tests show disinfecting properties continue to work after initial cleaning	Long lasting impact for improved infection prevention
